

# Tactical Fire Remote Sensing Advisory Committee (TFRSAC)

Agenda - Fall 2013 Meeting / Tuesday, November 5, 2013

*"We'll bring our eggheads, you bring yours, and we'll scramble 'em together" – Vince A.*

**Meeting location:** National Interagency Fire Center (NIFC) Great Basin Training Auditorium – Boise, Idaho

**Moderators:** Vince Ambrosia (408-666-7609 cell), Everett Hinkley (801-455-8764 cell)

**Tuesday, November 5, 2013**

**7:30 am Breakfast on your own**

**8:30 am Meeting start / Introductions / Memorial to Steve Wegener**

### Morning Presentations

- |  |                 |
|--|-----------------|
| • Welcome and Introductions (10 min)                   | Vince & Everett |
| • FS inside the beltway remote sensing update (10 min) | Everett         |
| • NASA Outlook /Budget and focus (10 min)              | Vince           |
| • UAS activities conducted on the Rim Fire (15 min)    | Sean Triplett   |
| • USFS/DoD QRT (30 min)                                | Steve Perry     |
| • CalFire Update (15 min)                              | T. Meyer        |
| • International partners activity update (15 min)      | Enric Pastor    |

**10:30 Break (15 min)**

**2:45 pm Resume**

- |  |                             |
|--|-----------------------------|
| • Naval Research Lab – Satellite Applications (15 min) | Arunas Kuciauskas / E. Hyer |
| • Wide Area Imager Update (30 minutes)                 | John Green                  |
| • CHIRP (15 min)                                       | Lt. Col. Coate              |

**12:00 pm Lunch (1 hour)**

**1:00 pm**

- **NASA A35 Wildfire Projects** (10 to 15 minutes each) Vince Ambrosia – Moderator

**2:30 pm Break** (15 min)

**2:45 pm**      **Resume**

- **NASA A35 Wildfire Projects** (10 to 15 minutes each) Vince Ambrosia - Moderator

**5: 00 pm**      **Dinner plans and adjourn**

- **6:30 pm**      **Meet for dinner @ nearby restaurant (TBD)**

**Wednesday, November 6, 2013**

**8:30 am**      **NIROPS close-out - Great Basin Training Auditorium**

**4:00 pm**      **AGENDA ITEMS from Tom Mellin**

**6:30 pm**      **Meet for dinner @ nearby restaurant (TBD)**

---

*Acronyms (with links)*

<a href="#">AMS</a>	Autonomous Modular Sensor
CalFire	California Department of Forestry and Fire Protection
<a href="#">NIFC</a>	National Interagency Fire Center
<a href="#">ROSES</a>	Research Opportunities in Space and Earth Sciences
UAS	Unmanned Aircraft System
<a href="#">VIIRS</a>	Visible Infrared Imager Radiometer Suite

---

For Remote Participants

**Webex Information**

Participant Link: <https://fs-rsacevent.webex.com/fs-rsacevent/onstage/g.php?t=a&d=661311320>  
passcode: rsac123

Meeting is called TFRSAC-NIROPS

**Conference Call #**

We **will not** be using Webex for the audio portion of the meeting. Please use the following conference call number/passcode for both meetings:

**Phone number: 1-888-858-2144**

**Access code: 7691819#**
