

National Remote Sensing Program Update

Tactical Fire Remote Sensing Advisory Committee
November 5, 2013

Everett Hinkley

National Remote Sensing Program Manager
USDA Forest Service
Geospatial Management Office

Talking Points – Number 20!

- Tactical Fire Remote Sensing Advisory Committee
 - Loss of key personnel
 - New directions for TFRSAC
 - *AMS & Wide Area Imagers*
- Forming new relations between Engineering & FAM
- *GMO Issues – Status Quo*
 - *My time is being stretched*
 - *Inventory, Monitoring & Assessment Initiative*
 - *Senior Advisor to Positioning, Navigation & Timing*
- *A lot of chaos in WO (furlough, budgets, office move, retirements)*
- *Merging of RSAC & GSTC*
- *UAS Advisory Committee continues to move forward*
